This water fall, Niagara Falls, the greatest in America, is significant of our name, Skookum Wa Wa.

This name, Skookum Wa Wa, meaning "strong running water," was originated by the many Indians who meant so much to our pioneer civilization during the period to which our book is dedicated. It is our intention to point out on this page the reason we dedicated our book to these great Indian tribes.

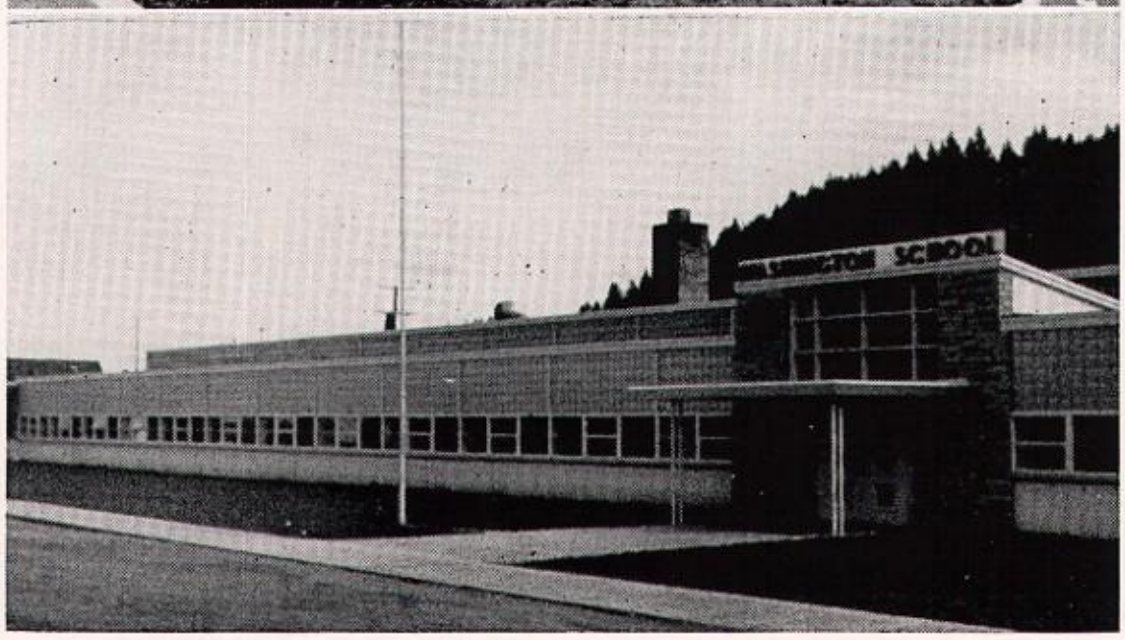
About the time that our first schools were built the Indians were a great aid to the settlers. They taught these pioneers to raise their own food, how to fish and hunt, and told them of the great plains and the huge forests to the north and east. As soon as the pioneers had completely learned the ways of this region they forgot and even persecuted these friendly Indians. Putting them on reservations that grew smaller each year nearly drove these Northwest tribes to extinction.

Many of the settlers grew alarmed at the plight of these once helpful Indians and public sentiment was almost completely reversed in the red man's favor.

About this time, the early Twentieth Century, the Junior class of Centralia High School decided to publish a year book. In this year, 1905, this strong public feeling ran high, and it was only natural for the students to dedicate their annual to their Indian friends.

We feel it befitting, therefore, on this One Hundredth Anniversary of the settlement of the Washington Territory, to use our theme to try and honor these friendly and once prosperous tribes.

One Hundred Years of Progress



This is the one hundredth year of the Washington Territory. Few people realize the fact that our school system is less than one hundred years old.

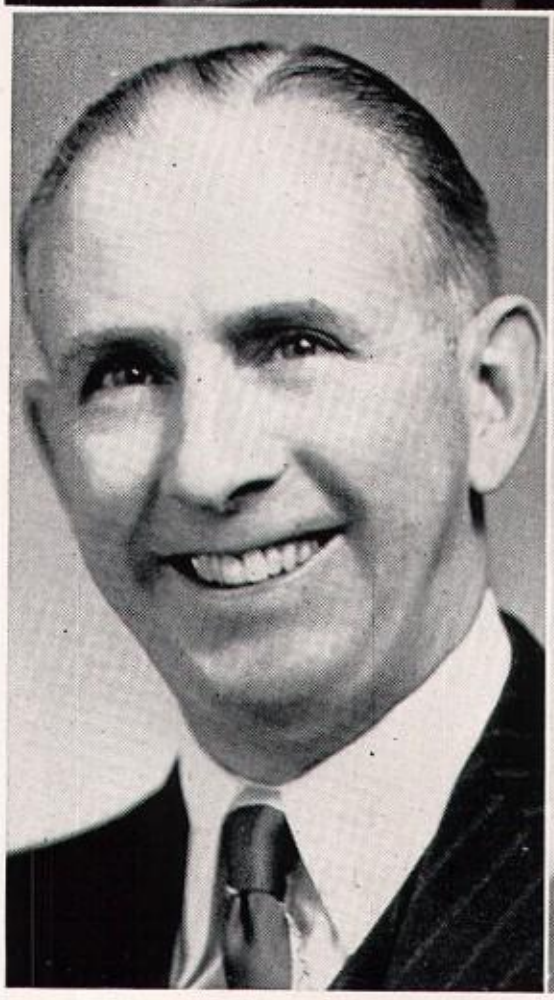
The first school in our system was the Alder Street School shown in the above picture. We are not certain of the exact year in which it was built but the picture was taken in 1880. It was a small wooden frame building with very few rooms. The building without walls to the left, was used as a playshed.

Today Centralia has one of the most modern schools in the state. It is the new Washington School located on South Field Street. It has large well lighted classrooms which are centrally heated. One of the most prominant features of the school is the gymnasium which is used for everything from P.E. classes to square dances.

Besides the Washington School we now have seven other grade schools, a high school and the first Junior College in the state.

Transportation for getting to and from school has also been greatly changed. In the Old days the students had to furnish their own transportation. This meant they either had to walk or ride horses. Today we have school buses that pick up the students that live far from school. Also many of the students have their own cars which they drive to school.

We are very proud of our state and its schools and we hope they will continue to improve in the next one hundred years.



Above is the Centralia school board. From left to right around the table are Howard Brines, Felix DeLysle, Board secretary Eva Cobb, Maurice Rubenstein and board president Morrill Folsom. Missing from the picture is C. R. Linderman.

Pictured directly above left is superintendent William Bloom and right is assistant superintendent Clifford Norris.

Building the system from the single school of 1880 to the eleven schools and 14 grades offered today has been the responsibility of the school board and superintendents of the past and present. These are the men and women who have guided and built the system to the well functioning educational body it is today.

One of the school board's largest problems of the year was the damage to the annex in the fire on April 9. This did an estimated damage of $15,000 to the building and at printing time the decision of the board was not known.

Congress has been busy this year, along with carrying out its usual business, several other matters were attended to.

This year Congress improved a lot of things around school. Two Lines were put in to replace the single line in the cafeteria. The lines now move at a rapid pace that gives every student a chance to eat with plenty of time to spare.

Each morning students pause to talk with their classmates before hurrying to roll room. This was made possible by Congress.

We now attend Junior College games and out of town dances, upon the presentation of A.S.B. cards.

During the time between Oct. 29 and Nov. 1, the leaders of our school went to Seattle to meet the leaders of other schools in Washington. Shelly Larrabee, Pat Edwards, Delores Breckle, and Gene Gideon attended the conference.

Girl's League, an organization consisting of each girl enrolled at C.H.S. has long been an active organization. All girls are encouraged to sell at Centralia home games and at the "A" and "B" Tournament games. They also work on the annual Father-Daughter Banquet, Mother's Tea, Girl's League Assembly and the Senior Tea.

The theme of this year's big social event, the Father-Daughter Banquet, was Harvest Time. This banquet gave the daughters a chance to repay their fathers for all the Jantzens and other luxuries they provide.

But our mothers must not be neglected. After honoring our fathers with a banquet we remember our mothers by sponsoring the Mother's Tea. The setting this year was the First Presbyterian Church.

The last event of the year, the Senior Tea, which is sponsored only by the Juniors, honoring the Seniors, was a huge success.

Tomorrow's Ski-no-sis-tak

The Boy's Club consists of all boys in Centralia High School. The organization functions under the leadership of boys, with adviser, and it has as its main objective "to promote better unification and co-operation among the boys, in both sports and in school activities."

Some of the activities sponsored by the club in the past are: the building of the bicycle rack, intramural sports, the employment service, and the school boy patrol.

They have their annual turkey shoot every year.

For the first time this year they started selling tiger seat cushions to the patrons of the basketball and football games.

They also sold ice cream and cushions during the "B" league tournaments here.

Winyan and Wicaua Hold Their Counsel

The graduating class of 1953 was led by two girls. Annette Ross as Valedictorian with a grade average of 3.97. Pat Edwards with an average of 3.88 got runner up honors and became Salutatorian.

This year Miss Myhre was chosen as adviser for Torch Honor. Torch Honor is a club that any student with a grade over a "B" average can belong to. There are many privileges granted to Torch Honor members, such as they have an assembly every year to present to the school and they enjoy their ice cream feeds every quarter.

There were twenty students on the Senior Honor roll. To be on the Senior Honor Roll you must have a grade average of over 3.00. The students on the Senior Honor Roll are as follows: Annette Ross—3.97, Pat Edwards—3.88, Mary Padham—3.70, Carol Day—3.68, Charles Street—3.63, Marlene Peterson—3.70, Shirley Harris—3.60, Eleanor Greene—3.51, Faye Palmer—3.50, Dolly Dunlap—3.47, Alice Salzer—3.40, Janet Fagerness—3.35, Zelma Knapp—3.35, Mickey Williams—3.26, Jim Fasano—3.18, Janice Hafer—3.14, Beverly Wagner—3.11, Clara French—3.10, Luella Reiger—3.02, Patty Greenland—3.03.

The requirement for Torch Honor Club is that a student must have a better than 3. average for a period of two semesters before they are eligible.

Some of the activities for the honor students are: quarter party, Banquet for the senior members, and an annual picnic at the end of the year.

The initiation night was held at Borst park at the beginning of the year. This was for installation of new members and new officers. They were served a very enjoyable dinner. Afterwards they were entertained and had a midnight snack which was a wienie roast and beverages.

The quarter party was given to all honor roll students. They were served ice cream and cookies. Afterwards they enjoyed delightful musical entertainment.

The banquet was held in honor of the graduation seniors that are in Torch Honor Club. They were served a delicious Turkey dinner. Afterwards Dr. Starr, Dean of the J. C., spoke on "The generation of today and to come." Sandy Hausman sang some very delightful songs. The banquet was closed by a clarinet trio.

Mighty Warriors Prepare for Life Anew

As we look back to September 6, 1949, when 193 of us started to school in our Freshman year, our memories recall the wonderful four years we've spent in C.H.S.

We were delighted to attend our annual Frosh Gym Party, and we began feeling more at home, even though those upperclassmen seemed large and strange to us.

In our Sophomore year we were very enthused over our annual Sophomore Carnival which was a very successful as well as loads of fun. Then we went further to have a Sophomore play called "Rumors Wanted" which also was a big hit.

Returning to school in our Junior year we felt more important and proud as now lower classes looked up to us. We went through this year accepting our responsibilities and making our first formal dance with the theme "Showboat" held in the cafeteria. The "Divine Flora" was a comedy that ran two nights sending the audience out smiling with misty eyes.

Then ever onward with the tide of progress we entered our Senior year. What a thrill it was! With great expectations we looked toward graduation and many of us counted the days when we'd be on our own. In the meantime we all kept busy with various activities.

Our Senior Play called "The Night of January 16" which was a court trial, kept us all thinking if the jury was right in its verdict.

And how could we forget our trip to Olympia! On February 19, 1953, three busses unloaded on the Capitol grounds and we headed for the Legislature in action. We saw the House of Representatives and also the State Senate. We then went through the capitol and clear to the top of the dome. The winding stairs were thrilling and lots of fun.

It was from this trip that we were inspired to present our school with the flag of the State of Washington.

May 1 ended the formal dances, as we Seniors presented "South Pacific." It was beautifully decorated with tropical scenes.

Weyerhaeuser Timber Co. invited us to spend a day in the logging camp. On May 7 we donned our jeans and jackets and learned some ways of the woods.

School seemed to fade away as in no time at all our annual Senior Picnic appeared. Everyone had his own way on May 21, to Offut Lake. A recreation program was enjoyed by all.

The Baccalaureate was upon us. We walked slowly down the aisle on Sunday night, May 24, 1953.

Our last big experience happened on the night of May 28, 1953. Commencement ended as 130 Seniors received their diplomas. This was a sad happy ending to the Class of '53.

Pite-til-a-kum Striving for Goal

The Junior Class had two outstanding activities this year. The first being the Junior Prom. This year's Prom theme was "Blue Moon." Chairman for this year's Prom was Gail Hereford and Jack Barner. The theme was uniquely carried out with blue lights, park benches and trees, street lights, and a fish pond complete with goldfish in the center of the gym floor. We think everyone will agree that this year's Junior Prom was one of the best Proms in the last few years. Everyone who attended the Prom will agree that everyone was in a carefree mood, which really made the Junior Prom a huge success.

This year the Juniors have been looking forward to their Senior year and graduation.

Trying to culminate our school career with a year bigger than this one will be difficult.

Skookum-Tum-Tum Show Great Promise

The Class of '55 was a very successful and well spent year.

We began the year with the annual Sophomore Carnival.

Next in line of entertainment came our Sophomore Dance. We crowned the King and Queen of our class that evening. They were: King—Eugene Fry, Queen—Ellen Kay Hupp, Princesses—Arlene Johnson and Billie Robinson, Prince—Toby Tobinski.

Our class skating party was on March 17. There were many in attendance and the Freshmen were invited.

When it comes to sports our class was right on top. The Varsity football team was bolstered by the support of Jerry Watilo, Wendel Palmer, Jim Sines, Eugene Fry and later in the season came Jim Pessemeir. Eugene Fry was one of the two boys from Centralia to get honorable mention on the All-Star Team.

Ter-As-Man On The Upward Climb

On September 2, 1952, 245 freshmen entered the doors of C.H.S. This year we have one of the largest freshman classes we have had. It is also the largest class in school this year.

Ray Kinnamon was elected president to lead the class of "56" in their first year.

The freshmen got off to a fast start this year by sponsoring one of the first sock dances. In October the freshman party was held in the gym. This is where all freshmen get together and get acquainted.

If you have ever noticed how clean the grounds are around the school you can give the credit to the freshmen. The Washington History and Orientation classes have charge of this.

The class has something different this year. They have what is called a "Brain Trust." This is a committee that is planning class projects for next year.

Clubs Give All a Chance to Lead

GIRLS "C" CLUB

The Girls "C" Club is an honorary organization. Any girl interested in sports may belong to the club. A plaque was given to the outstanding girl athlete in 1936.

There is no information on the origin of the organization.

SERVICE CLUB

This club was organized in September, 1931, under the name "Tiger Service." It used to be called the "Knights of the Maul." The purpose of the club is not to be policemen at the games, but to seat people in the grandstand, keep spectators off the playing field, to meet the visiting teams, conduct rallies, and perform other services to the school.

PEPPER CLUB

The Pepper Club of CHS was organized in the year 1929, with a charter membership of twenty-five girls. With Louise Wood as president, the organization set out to accomplish its aim—school spirit.

BOOSTERS

The Booster committee is composed of appointed members from each class. They were organized in 1939. They plan assemblies and programs using new ideas to create pep and spirit in the student body.

MOVIE CLUB

As near as we can find this club was started in 1940. They perform one of the most important functions to add to the enjoyment of school life and education.

During the rainy season they put on noon movies in the auditorium—then as now.

KELA CLUB

This club was started in 1930 and was called Radio Club. It was organized with the hope that its members would develop a useful, instructive, as well as constructive hobby.

As the years went by and radio got more common the club started putting on their own radio programs. This became the club's main purpose rather than learning about the radio.

CHESS CLUB

The Chess Club was organized in 1951 by Miss Thomas because of increased interest in the game among the students. The club members say the game is not hard to learn but takes much practice to become good at it.

CENTRALIA RETAILERS CLUB

This organization is not only a club but a regular class in salesmanship. To be a member of the club you must have a job in a downtown store and work at least fifteen hours a week. The club was chartered by the national association in 1947. Its original name was Distributive Educational Organization. This year it was changed to Centralia Retailers Club.

BOYS "C" CLUB

As near as we can check on the Boys "C" Club it was organized in 1917. It is composed of the letter winners who have won a letter by turning out for a sport.

They first were known as "Wearers of the "C," The first letter wearers were:

Don Bower	Floyd Doersch
Loren Stephens	Fred Van Gilder
Russell Hodge	Edward Hall
Howard Barner	Eastman Markell
Danial Webster	Ezra Crumb
Norman Hall	Aalph Ormsby
Coach Brown	Paul Spurgeon

MAKE UP CORPS

This organization was formed in 1937 under Miss Smith's supervision. They have had charge of the school's major performances, the Senior Play, the Junior Play, and the Sophomore-Freshman Play.

Although they aren't one of the organizations that are always in the limelight they make their subjects stand out.

Warriors Present Mamook-Hee-Hee

This year the Junior Class has presented many, many ways of entertainment for the people. One this year was the Junior Class play. The title of the play was "Our Hearts Were Young and Gay." The two leading roles were portrayed by two girls. Cornelia Skinner (Judy Burdick), high society girl, and Emily Kimbrough (Donna Evans), a girl who is always happy go lucky.

The story takes place about the year of 1923 on an ocean liner. It is a story of two girls away from home on their way to Paris. The play was a very big success.

The cast of the play as they appeared was:

Steward, Arvid Levine; Mrs. Skinner, Cris Schiefelbein; Cornelia Otis Skinner, Judy Burdick; Otis Skinner, Jack Barner; Emily Kimbrough, Donna Evans; Purser, Alan Erickson; Stewardess, Dolores Cook; Dick Winters, Dick Williams; Admiral, Chuck Woods; Harriet St. John, Jane Lyon; Winifred Blough, Noreen Cooper; Leo McEvoy, Les Altman; Inspector, Betty Root; Thirese, Lorraine Street; Madam Elise, Sally Gehrke; Monsieur De La Cacoix, Chip Chaplin; Window Cleaner, Jerry Wenger.

"Night Of January 16" Given By Seniors

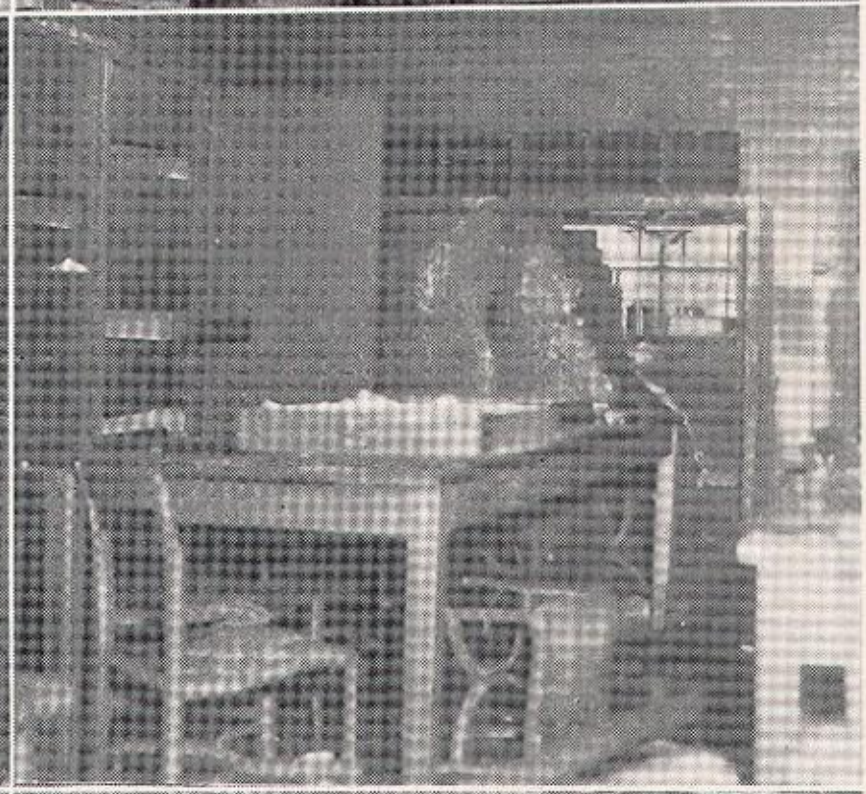
"What a night it was!" The action of the play took place in the Superior Court of New York City under the direction of Mr. Rodney Gruver.

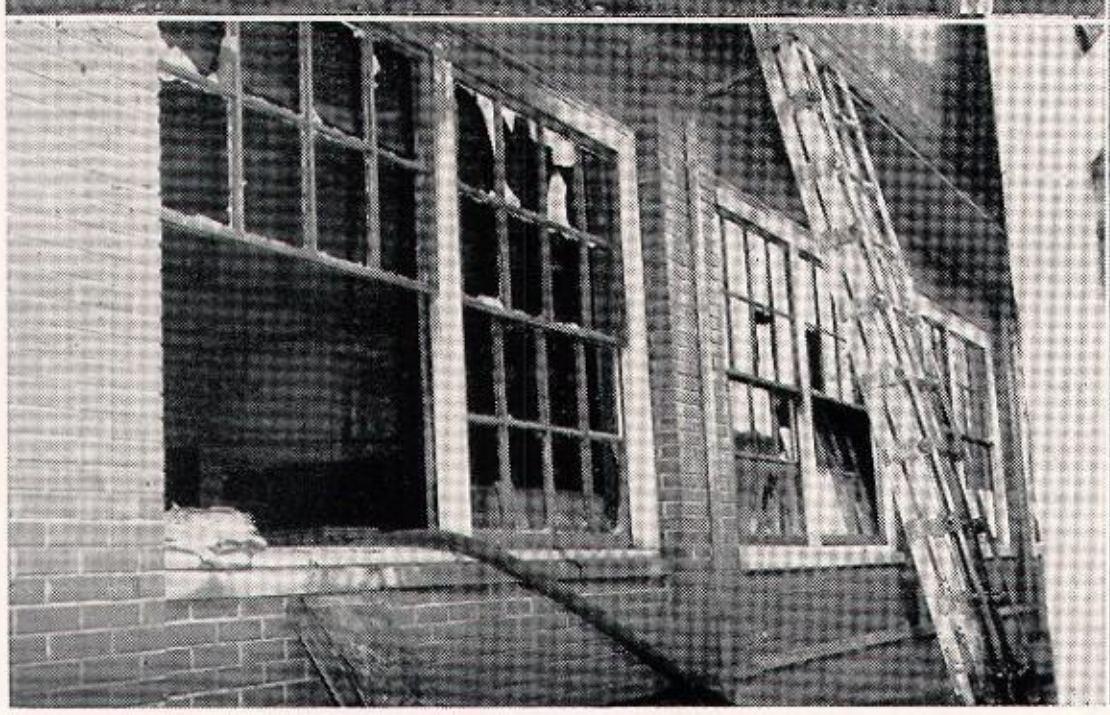
Karen Andre (Annette Ross) is being tried for the murder of Mr. Faulkner by the District Attorney (Larry Laycock), who brings out many clues to the crime. Defense Attorney (Marvin Murray) however, pleads her innocence and shows the jury where it is suicide on the part of Nancy Lee Faulkner's (Carol Day's) husband.

The jury, chosen from the audience, decided her fate after hearing the facts of the case. The cast had an ending for either guilty or not guilty as the climax depended upon the jury. The verdict, not guilty, was very displeasing to Nancy as she thought Karen Andre should be sentenced or imprisoned for her husband's death.

Magno Svenson (Jane Graham), added humor to the drama as she played the part of the dignified Scandinavian woman.

Mrs. John Hutchins (Donna Almy) played the part of a Negro woman who just happened to see the crime after it was committed and also a stranger leaves the building.





As an early arriving student was walking by the C.H.S. annex, he was startled to hear a loud explosion and see windows break out and fall to the ground. The fire started at 8:09 in the Home Ec. sewing room. It spread to the agriculture room, a portion of the attic and a part of the manual training shop.

Assistant fire-chief Frank Bras said at the moment he estimated the damage at $15,000, adding it may go higher. Mr. Bras explained the blaze was caused by spontaneous combustion in a sewing room cupboard.

The fire was extinguished in the first floor rooms by 8:45 but by then the fire had spread to the attic above the sewing room. Offices in the upper rooms were intact, only watery and smoky. The art room, band room, and outer shop rooms were spared, but it will take a long time to restore the damaged rooms to make them suitable for class rooms.

At printing time the school board had not made its decision as to what would be done in the building.

CHS Annual Class Goes Native

The 1953 Skookum Wa Wa came in this year with only four experienced members. The first portion of the year was devoted to practice mounting pictures. The staff used old photographs to mount on cardboard and trim for practice before starting on the pages of this annual.

This year there were twenty people on the staff at the start of the year, which is an improvement of about ten over the start of last year.

The annual staff heads include as editor, Ramona Blumenthal; assistant editor, Charlotte Manning; business manager, Don Barner; art editor, Dwain Hodge; photographer, Russ Mohney; and exchange editor, Wilma Hicks.

Also included on the staff are: Fred Bierward, Barbara Burton, Bennie Carver, Verjean Challender, Charles Fors, Sharon Gray, Don Gutschow, Janice Hafer, Maurice Hanson, Alice Oakley, Darlene Schlutz, Eugene Thomas, and Joyce Thompson.

Left to right: Dewain Hodge, Art Editor, Ramona Blumenthal, Editor, Charlotte Manning, Ass't Editor.

Daily Pow-Wow Turns Out Hy-As Pa-peh

The Centralia Columns Staff printed their regular tri-weekly paper this year, doing a fine job. The newsprint size was increased, as was the staff. Carol Miller and Judy Burdick were the co-editors. Heading the Business staff was Dick Williams with Elsie Howard as his assistant.

The Sports Editor was Jack Challender with Virginia Loomis as Exchange Editor.

There were 18 other members of this staff learning reporting and advertising.

The paper covered sports events, social activities told of ex-graduates and their accomplishments and many other articles of interest to students.

Included in the advertising staff were: Janet Anders, Neva Dorn, Helcyn Good, Gail Herriford, Dwain Hodge, Jane Lyon, Barbara Sandstrom, Eugene Thomas, and Lila Jean Watson.

Writers were: Chip Champlin, Virginia Gilson, Joan Schanck, Dan Schmidt, Don Shafer, Jane White, and Mickey Williams.

Four superiors in competition at the Southwest Washington music meet points out just how good our band was this year. Awards however are not new, as the band annually pulls down more than their share of superiors at this meet.

Two individuals, Jim Todd a sophomore trumpet player and Vondean Stafford a freshman pianist, won superiors. Vondean plays the glockenspiel in the marching band.

The trumpet trio (Ron Smith, senior; Bill Swenson, sophomore; and Jim Todd, sophomore) and the clarinet quartet (Pat Edwards, senior; Dorothy Ford, junior; Verna Ruth, junior; and Jack Barner, junior) were the two groups who won superior ratings.

Pat Edwards, senior and John Eckerson, freshman were individual clarinet winners in the excellent class. Bill Swenson, trumpet soloist and the saxophone quarter (Sharon Compton, senior; Yvonne Cortz, freshman; Del Spencer, sophomore; and Dick Kure, sophomore) won good ratings.

Besides this important engagement the band played in many places around the state. The big trip of this year was the University of Washington to play at high school band day. These bands are chosen by University as the outstanding bands in the state.

Their pep at the football games this year helped the team out a lot too. They did some excellent work

with halftime activity that kept fans on the edge of their seats. Also they traveled to Aberdeen to help the football team in their upset of the year. The band sounded as happy as the football players with their victory.

During the basketball season about half of the band would form a pep band to take over for the session. The band also was the official band for the Southwest District "B" tournament.

Something new was the starting of letter awards for band members this year. This is done by a point system, with a certain number of points for each practice hour and appearance before the public.

Band officers for the year were: Pat Edwards, manager; Eva Sandvig, points; Neil Corcoran, librarian; and William Knapp, secretary.

Kittens Supply Reserve Strength

The Kittens not only had an excellent team in itself, but provided much needed reserves for the varsity.

Working from the T formation their backfield had almost everything you could ask for. In the speed department they had Robert Bennett, Bob Loomis, and John Glanville. These boys were always good for long gains on the ground.

In the air department they had the strong and very accurate arm of Jim Pessimier. In fact he connected for over 20 passes in one game and found himself on the varsity roster for the rest of the season.

In the line Ron Dickinson did an excellent job of catching those Pessemier passes. J. E. Hammond and Howard Holsebrook did a fine job of opening those much needed holes in the lines.

In the defense department Chuck Langlois was a pillar of strength. It was rumored that he made one of the most viscous tackles made all year.

In view of all this it seems to most of us that Centralia should have a very good ball team next year if the boys keep up at the pace they had this year.

The new coach is looking forward to a lot from these Sophomores next year. There are a large number that are expected to fill some varsity holes.

Yellowjackets Sting Opponents

Although a losing team the Centralia Junior High had many features. The boys all worked hard, played clean, aggressive ball and had fine spirit all through the season.

Many of the players will see action on the varsity squad next year.

The Shelton-Centralia game was played in Shelton. This was the only game the Junior High won during the season. James Howard drove over for the first T.D. from the 12 yard line on a series of quickies.

Dan Hayes scored the second and third T.D.'s by catching a pass both times in the end zone. The final T.D. came when Ramon Kinnamon recovered a fumble in the end zone. The final score was 27-7.

The Junior High lost the second game to Hoquiam by a score of 12-19. The T.D.'s were made by Dan Hayes catching a pass from Rudy Gideon and Rudy plunged over from the 3 yard line for the last.

The annual Kiwanis football classic was played here with Olympia. Centralia controlled the ball most of the game but every time Olympia got the ball they opened a long drive to score and finally and finally won 12-35.

The Aberdeen team scored in the first quarter and was close the rest of the game. The game was played in Aberdeen territory. It was in this game at Aberdeen that Centralia lost their star tackle, John Thompson, with a back injury. He was out the rest of the season.

When Longview invaded Centralia they not only won 7-0 but left Centralia with three injuries. Dan Riccardo hurt his back, Rudy Gideon had two broken fingers and Dan Hayes broke his arm.

In the final game of the season Centralia went to Chehalis to take a licking 27-0. Centralia was minus several of their top players because of injuries and the second string couldn't quite make it.

Tiger Gridsters Have Successful Season

The Centralia Tiger gridsters opened their 1952 football season on September 13, in the annual Rotary Football Jamboree. Centralia opened the evenings proceedings by playing the Tenino team to a scoreless tie. In the final game of the night the Tigers played their traditional rival, the Chehalis Bearcats. Although the game was also a 0-0 tie, the Tigers completely held the upper hand, ending, on the final play of the game on the Bearcats' one foot line.

The Tigers took the first home game of the season from the Elma Eagles by a score of 8 to 0. Early in the second quarter the Tigers opened a forty yard drive that held as its end the proverbial pot of gold, the T.D. The conversion failed. In the third quarter Phil Messenger tackled an Elma back in the end zone for the touchback.

Tigers bowed to the Highlanders of Kelso 20 to 6, on the cold night of September 26. The only scoring in the first half came on a long 76 yard drive by the mighty Kelso team. In the third period a Kelso back blocked Don Parsons punt and Kelso recovered in the end zone for the Kelso touchdown. In the first of the fourth quarter, Centralia made its only touchdown. Quarterback, Joe Hayes, ran around his right end and raced for 36 yards. The last touchdown came in the final period.

Aberdeen was the victim of the Tigers' first conference win since the Championship team of 1948. The Tiger defense was the main link in the 2 to 0 victory. Aberdeen was in punt formation in their end zone. A bad pass from Center got away from the kicker and went out of the end zone for an automatic safety.

The powerful Centralia defense kept the Bobcats within their own 25 yard line all of the third quarter. In the last play of the game the Bobcats tried a last chance pass, only to have it intercepted by Gary Brines, who almost broke away for a touchdown. At the sound of the gun, Tiger rooters swarmed the players and coaches, Coach Morris was hoisted up on shoulders and carried off the field.

Centralia lost to the Vancouver Trappers in Vancouver October 24. The Tigers played a hard fought game, but came up with the smaller score 26 to 20.

Centralia's second T.D. came when Fry threw a pitch out to Hayes who threw a pass to Brines. Brines galloped the distance along the sidelines for the score. The Brines and Fry combination was good for 50 yards when Brines ran over the third T.D. Fry ran over the extra point.

The Tigers were the victims of Hoquiam in Centralia October 4, when they suffered a 20 to 13 defeat to the Grizzlies. The Tigers scored 6 minutes after the opening of the first quarter. In the third quarter the Grizzlies scored, then hit pay dirt in the fourth quarter making the final score 20 to 13.

It was a sad Hallowe'en for the Centralia Tigers as the Olympia Bears walked over the Tigers 25 to 0. The biggest scoring threat the Tigers could manage to get all evening was in the second quarter.

Touchdown passes failed the air when Longview defeated the Tigers 39 to 8. Both teams made touchdowns in the air.

The Tigers then used their most effective play of the season and scored touchback number 3 for the season.

Ralph Morris started out as yellowjacket coach but resigned to accept the position of superintendent of the Mossyrock schools. He was not available for a picture.

Winning one and losing eleven is not a very impressive record on paper, but actually in play the Tigers played some mighty fine games. The Tigers had a very tough row to hoe considering the championship Aberdeen team, and the two tough Olympia and Hoquiam squads.

Aberdeen the League champion went on to take second place in the state tournament, and the other two squads were high in the final sportsmens counts. These two teams were beaten out by Elma for a berth in the state tourney.

On the road the Tigers had a tough time getting started but at home they played some of the finest ball games you ever saw.

The game the Tigers took from Olympia was a real thriller as the Tigers came roaring back from trailing by six points at the end of the third quarter, and they won in the final second of play. The final score was 50 to 49.

In the second game here with Olympia, Centralia almost won again as the game was tied with only three seconds left to play. Robinson took a wild overhead throw and dropped the bucket through for the game winning points.

The Tigers also had some very thrilling moments with other teams in the league, slipping in the final minutes of play to lose by two or three points.

Kittens Prepare for Coming Year

Although the Kittens only won three of their eighteen games this is no indication of the brand of ball they played. Lacking in height and experience the team made up for this by playing inspired ball.

They played two of the most exciting games of the year, winning both of these at the expense of Olympia. They won the first at Olympia by a score of 32 to 30. Del Spencer won the game for the Kittens by making the winning basket just as the gun went off ending the game. In the second the score was tied at 28 to 28 going into the final quarter and ended with Spencer winning the ball game in the final seconds of play.

Here are the scores of this year's games:

Yellowjackets Rise to New Heights

The Junior high is the winningest ball team in the twin cities this year. Their 8 win 2 loss record was the best they had in years. Aberdeen was the only impossible hurdle the Yellowjackets were forced to face all season. Even against Aberdeen, the Yellowjackets almost came out on the long end of the score as the game went into an overtime period with the Aberdeen team winning by a 44 to 41 tally. The most impressive feature of the Centralia Juniors was the fact that their lineup was composed of players all over six feet tall.

Another thing that made the Centralia fans happy was the twin killing the Juniors made against the Chehalis Junior High. The first game was fairly close, with the Yellowjackets holding a slim lead of three points until the final minutes of the game, when they increased the difference three more tallies to win the game by a 34 to 28 counter. In their second encounter, the Yellowjackets played a fine game on both offense and defense, and won the contest handily 42 to 26.

The Junior high scores for the season were:

Longview 24	Centralia 34
Longview 29	Centralia 38
Chehalis 28	Centralia 34
Hoquiam 38	Centralia 54
Aberdeen 44	Centralia 41
Olympia 27	Centralia 42
Aberdeen 52	Centralia 36
Hoquiam 26	Centralia 36
Chehalis 26	Centralia 42
Olympia 20	Centralia 31

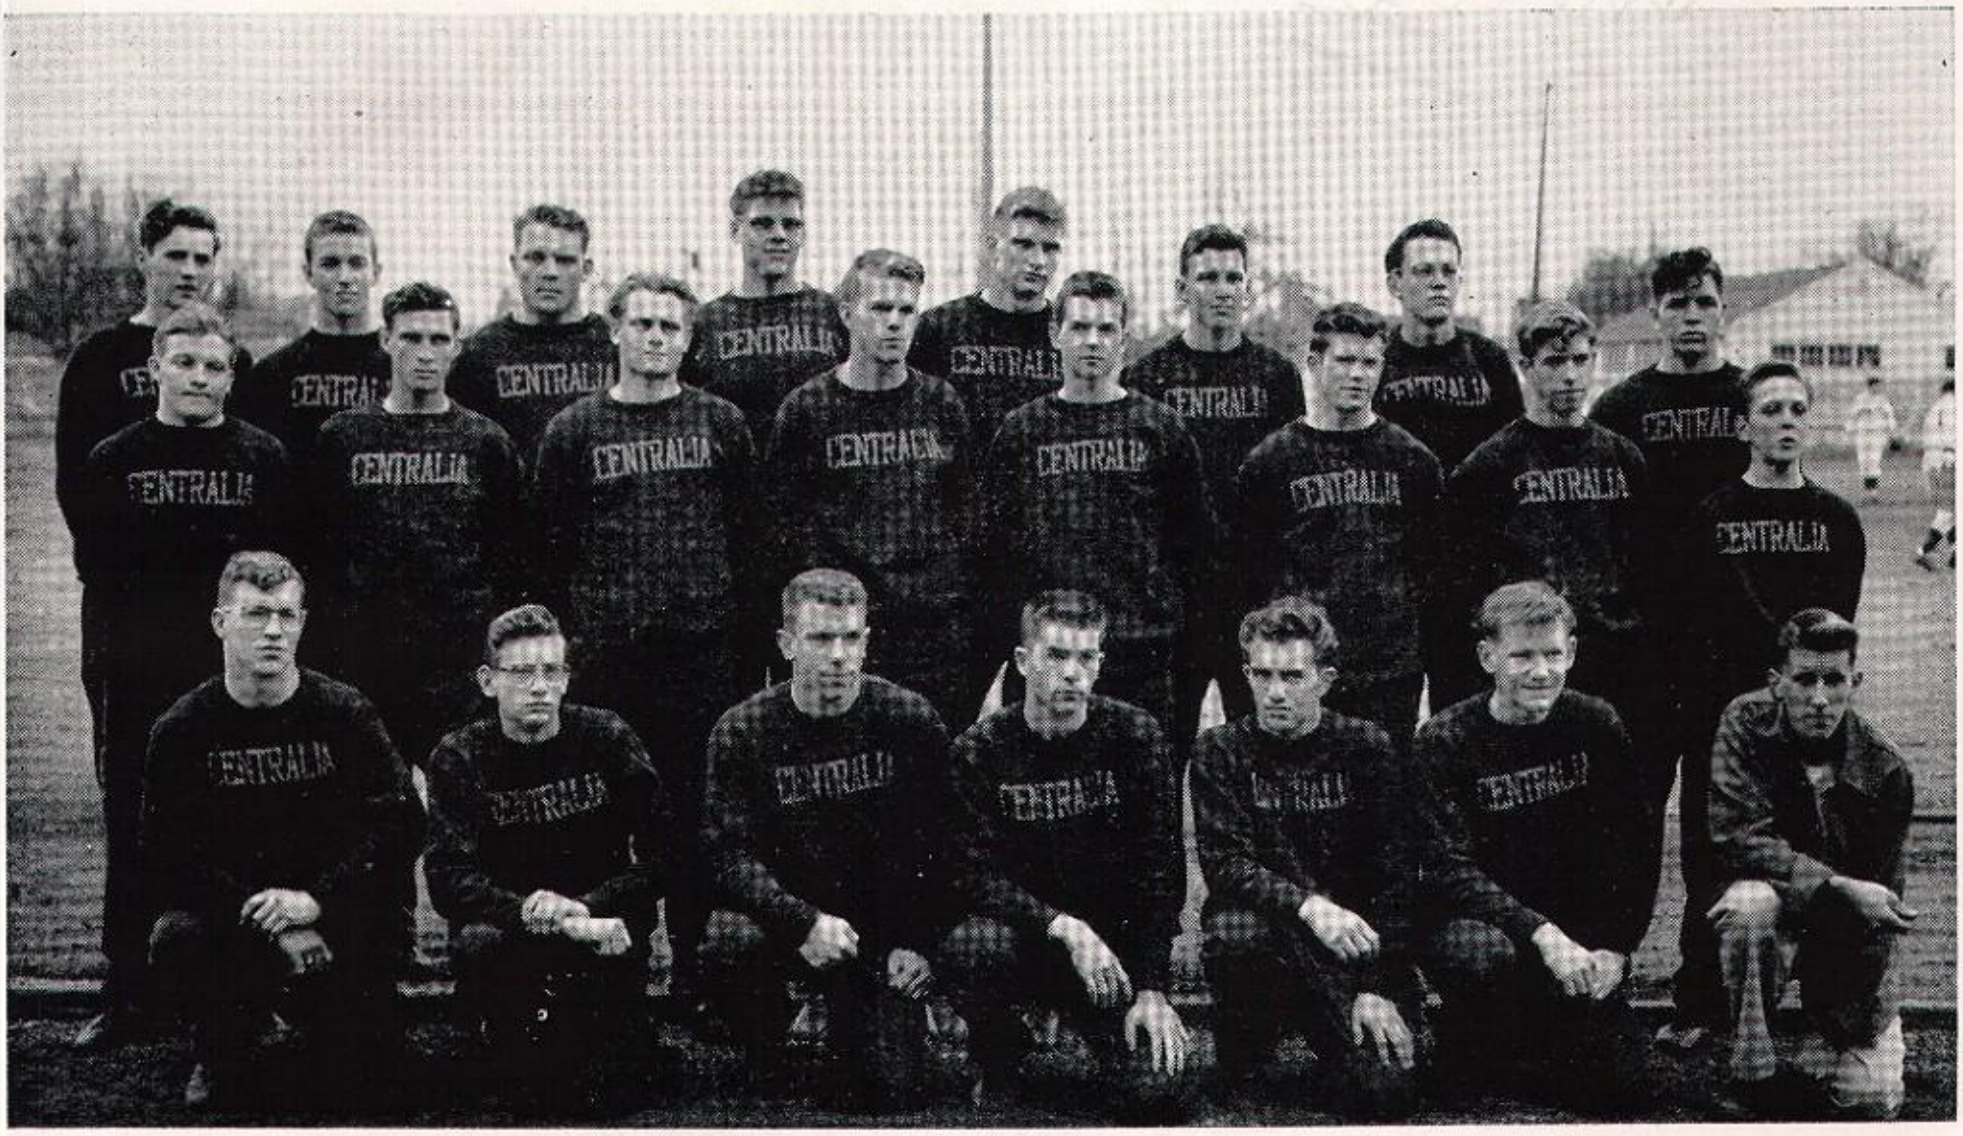
To start off the 1953 track season, the Centralia High School tracksters took on the Longview Lumberjacks. The Tigers won this one fairly easily, 66⅔-46½. Dean Singer was high point man for this contest with firsts in the high hurdles, low hurdles, and high jumps. Other Tiger scorers were: Barney Perkins, shot and discus, Fred Kiser in the mile, Gordon Boyd in the pole vault, and Joe Hayes, 100 and 200 yard dashes.

In their second meet of the season, the Bengals whipped the Olympia Bears, 74-39. The same men scored for CHS on this meet as scored at Longview with the addition of Gary Brines in the half mile and Bob Allison in the broad jump. The Olympia team took only two firsts, one in the mile and the other in the 440 yard dash.

The Tigers followed their train of wins by conquering the Kelso Highlanders by a close score of 61 3/5-51 2/5. The points were scored by Centralia by Dean Singer in the low hurdles, high hurdles, and high jump. Kiser took the mile, Boyd tied for first at the pole vault, with Fry, Buines, Larabee, taking the 220, 880, and broadjump.

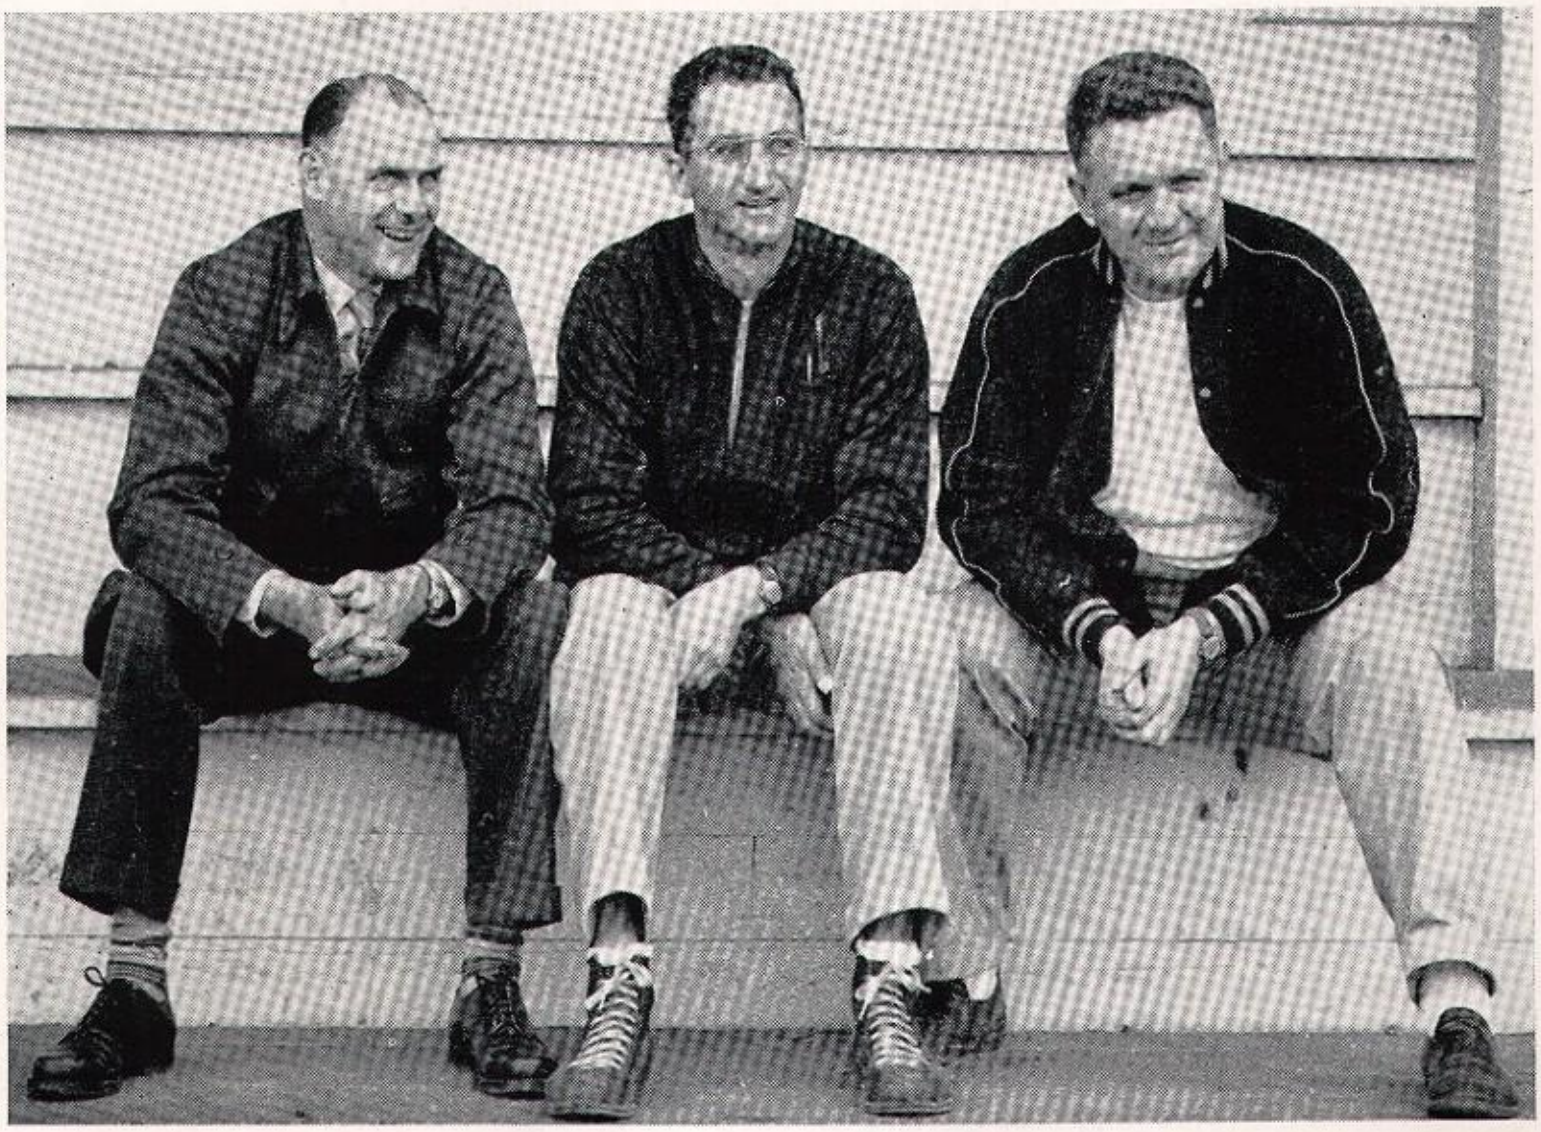
On April 13, the Tigers took Shelton on winning 63-50. Firsts in this meet were divided 8 for Centralia and 4 for Shelton. The High Climbers took firsts in the 100 yard dash, pole vault, 440, and broad jump.

Tracksters Unbeaten In First Five



Above are varsity track members—Kneeling, left to right are: Mike Gilligan, Gary Swanson, Gary Brines, Joe Hayes, Gene Fasano, Dick Cloyd, and manager Phil Messenger. Standing in front row, left to right are: Jim West, Robert Bennett, Fred Kiser, Gordon Boyd, Del Spencer, Bob Loomis, Ralph Cown, and Richard Stablein. In the back row, left to right are: John Kohnke, Gene Roberson, Jerry Ainsworth, Barney Perkins, Dean Singer, Shelly Larabee, Larry Hedgren, and Gene Fry.

Below are the track coaches sitting in the stands watching their boys perform. They are, left to right: Rufus Kiser, Roland Dickie, and George Rowswell.



Golf Team—Kneeling, left to right are: Steve Lee, Jim Butkus, Jerry Swanson, Bill Gregor, Dave Hawkins, Richard Scherer, and Don Gutschow. Standing, left to right are: Gary Herriford, Larry LeDuc, Keith Jorgensen, Grant Plummer, John Edinger, Buck Gehrke, and Frank Tobinski. Below are the three coaches, left to right are: Doreen Softky, Leo Milanowski, and Vern Berry.

Our golf teams have been doing a great job this year holding their own against difficult competition. The first match of the year was with Chehalis, who had the fortune to beat our team by a small margin. This match was followed closely by a four team match with Olympia, who took first, Chehalis, second and Longview, fourth. We got our second wind during the third match and tied Chehalis, then moved swiftly to take first in a three team meet with Raymond and Kelso coming in in that order.

Our two teams averaged a 92; the first string a lone 91 and the second string an average of 92.

Jim Butkus led the first string with an 81 average, followed closely by his teammates. Steve Lee averaged 83, followed by Dave Hawkins 90, Frank Tobinski, 93, John Edinger 93, Larry LeDuc 88, and Jerry Swanson 98.

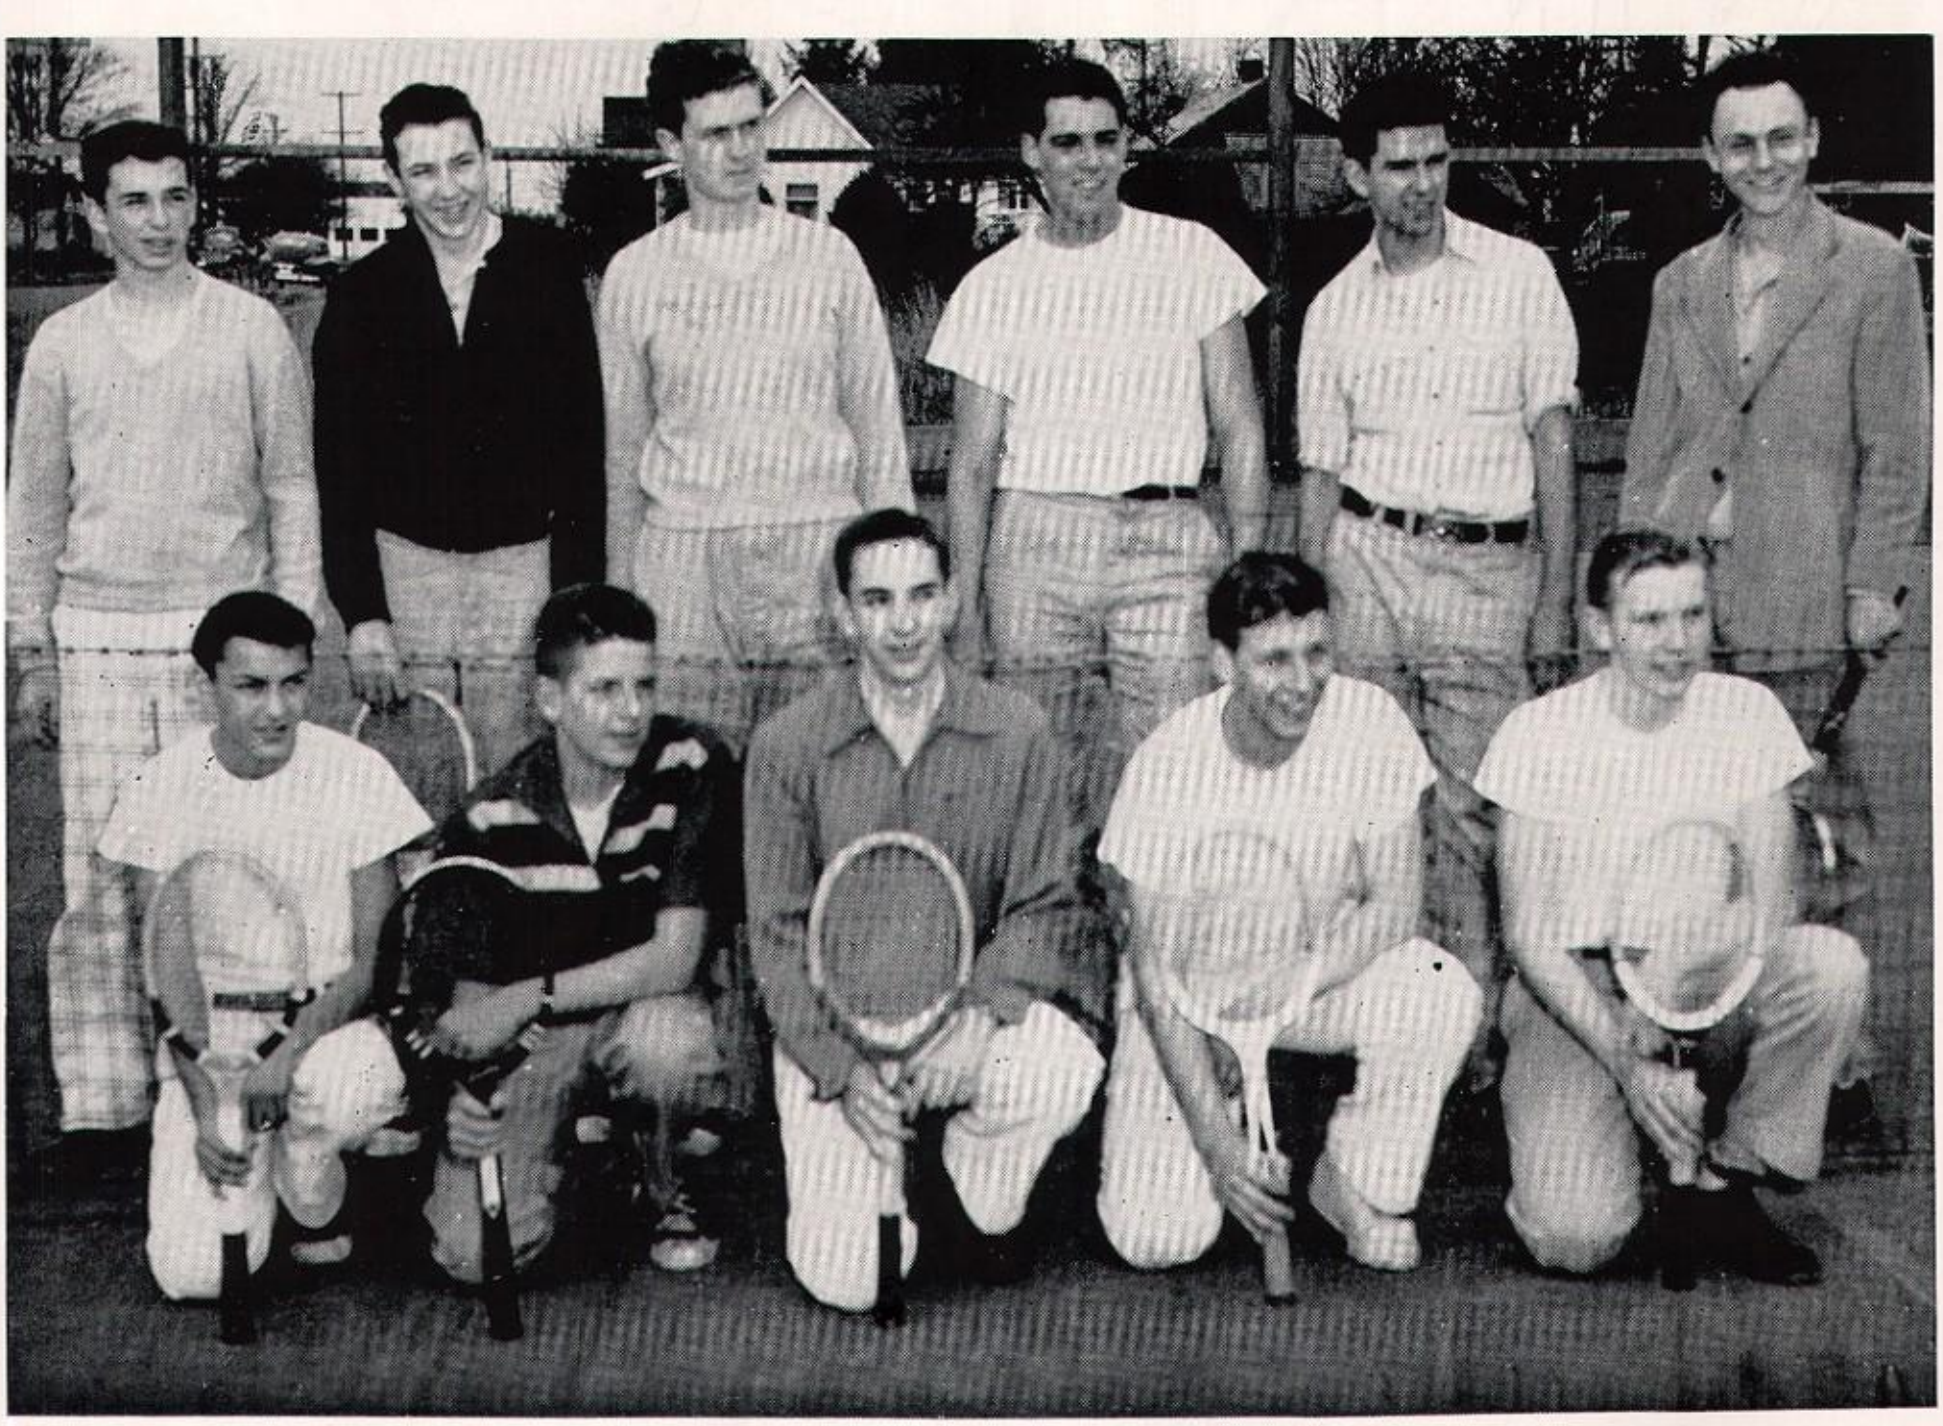
The second string was led by their high man, Bill Gregor with 92. Butch Plummer, Richard Sherer, Gery Herriford and Keith Jorgenson were also on the second team. We hope to see most of these boys on next year's teams.

Pictured above is tennis coach Rodney Gruver.

Pictured below is the tennis team—Kneeling, left to right, are: Mel Stonehocker, Robert Thompson, Don Ashbrook, Bill Howard, and Ron Dickenson. Standing, left to right, are: Al Thornton, Eddie Sundberg, Howard Holbrook, Larry Chamberlin, Norman Whitworth, and coach Rodney Gruver.

Up to press time, the tennis team had not won a tennis match. They had two teams left to play then, Yelm and Castle Rock. Both times before these teams just barely beat Centralia. Centralia had improved a lot since they played the teams last, and they should have been able to beat Yelm and Castle Rock in the second tangle.

There was a high school tennis tournament at Longview May 23, in which three top Centralia players entered. They are Robert B. Thompson, Donald Ashbrook, and Norm Whitworth. Thompson played singles; Whitworth and Ashbrook, doubles.



Baseballers Start Fast

Varsity Baseball—Bottom Row, left to right are: Bob Teeter, Carl Hurn, Dave Duncan, Gary Lee, Daralee Cox ,Gary Brines, and Jack Challender. Middle Row, left to right are: Verle Robinson, Don Parsons, Rueben Oster, Dave Morris, Gary Scott, Jim Sines, Jim Pessimier, Les Altman, and Manager, Calvin Fody. Back Row, left to right are: Dewain Hodge, Marvin Mocan, Ron Goins, Joe Hayes, Jack Barner, Rod Ice, Jim Howard, and Chuck Gilson.

Through the first fourteen games the Tigers were flying high. They put together a 11-3 record and won two of the first three league games.

Some of the early standouts are Jim Sines, and Darylee Cox, both sophomores.

Sines has been hitting the ball at a rapid clip along with Bob Teeter and Gary Scott.

Cox, as a pitcher, has won six games and lost none. His most impressive win was an 11-2 victory over Hoquiam in the second conference game.

There were six sophomores on this year's squad. They are Jim Pessemier, Gary Scott, Jim Sines, Jim (Lefty) Howard, Dave Morris, Darylee Cox.

The only teams that beat the Tigers in the first 14 games were Chehalis, Mossyrock and Olympia. Each hold one victory over Centralia.

Centralia was leading the league at the time this went to press.
